We solicit the correspondence of those desiring further information.

ESTABLISHED 1874.

ERIE LITHO. & PRINTING CO.,
ERIE, PA.

ANNOUNCEMENT.

We take pleasure in again presenting herewith our Semi-Annual Wholesale Catalogue for Spring of 1895, for the consideration of our brother nurserymen and large purchasers, for whom it is intended. We fully appreciate the patronage accorded us in the past, and have perfect confidence in our ability to retain the good-will and patronage of all our former customers. We would respectfully solicit a trial order from those with whom we have never dealt, feeling sure that with our superior methods of grading and packing, we shall be able to please. The high standard to which we grade shall be maintained, and we will continue to exercise due diligence in the forwarding of orders, recognizing the great importance of prompt shipments. We feel assured that the superior quality of our stock and the low rate at which it is offered, together with our careful method of handling and packing, cannot fail to render the purchaser entire satisfaction.

TERMS AND CONDITIONS OF SALE.

We reserve the selection of varieties to ourselves, but always give the purchaser his choice, so far as is consistent with our stock.

All claims for errors and deductions must be made within six days after receipt of stock. 5 per cent. off for cash with order.

Our Guarantee of Genuineness.—While we exercise the greatest diligence and care to have all our trees, etc., true to label, and hold ourselves in readiness, on proper proof, to replace all trees, etc., that may prove untrue to label, free of charge, or refund the amount paid—it is mutually understood and agreed to between the purchaser and ourselves, that our guarantee of genuineness shall in no case make us liable for any sum greater than originally received for such trees, etc., that prove untrue.

When dealers pack with us we heel in the entire stock by itself and furnish labels and tying materials free. Help for billing up will be furnished gratis, but no more than can be constantly and profitably employed.

Boking and packing charged as follows:

30 x 30	inches,	9 to 10	feet,	$3.00	each.	18 x 18	inches,	8 to 9	feet,	$1.50	each.
27 x 27	"	9 to 10	"	2.50	"	15 x 15	"	8 to 9	"	1.20	"
24 x 24	"	8 to 9	"	2.00	"	12 x 12	"	8 to 9	"	1.00	"

No extra charge for delivering packages at Express Office, Railway Station or Wharf.

We will accept orders from the trade at the lowest rate named in this list, without regard to amount of bill or quantity of goods taken.

Terms of payment must be cash down or satisfactory note for amount of bill, unless with established nurserymen, when, if unknown to us, satisfactory reference will be required before shipment.

NOTICE TO CORRESPONDENTS.

Please do not mix up your orders in the main body of your letter, but write them out plainly and distinctly, each article on a line. This will often save time and errors.

Do not send individual checks. Send bank drafts on New York, registered letters, or money orders payable at Erie, Pa.

THE PACKING SEASON.

In the spring we usually begin digging and shipping about the 20th of March to the 1st of April, and continue through May. In the fall, from the 1st of October, and continue until checked by cold weather.

L. W. CARR & CO.,

ERIE, PENN'A.

Descriptive Catalogue containing 82 pages will be furnished at 15 cents each.

GRAPE CUTTINGS.

We make a specialty of these. Having extensive vineyards from which to cut our wood, can guarantee them pure and fresh. Send your list of wants for prices.

Orders for Trees by the Car-load may be packed in bulk at great saving of time and expense of boxing. We ship in bulk, east, west and south, and other distant points, and the trees arrive in perfect order.

Having built large cellars for trenching in a general variety of nursery stock for early spring shipment, we can furnish our southern and western customers as early as they may desire.

5 Per Cent. off for Cash with Order.

CHEAP LIST.

UNDER this heading we have a large lot of stock to sell at the following low rates. These trees are such as are left after two larger grades are taken out, and are straight, smooth, and in the best assortment of varieties.
